October 4, 2021

To Whom It May Concern,

On behalf of Kaleidoscope, I would like to introduce you to Find Your Future. Find Your Future is a paid summer internship program offered by Kaleidoscope and funded by the Illinois Department of Children and Family Services (DCFS). Since its inception in 2003, FYF has provided more than 400 students with internships in a range of professional environments that align with the intern's academic concentration.

Eligible program candidates include current or past DCFS youth who are enrolled full-time in college (university or community), participate in Youth in College or Youth in Scholarship programs, in an ILO, TLP, or Foster Care program, and have a GPA of at least 2.0 (see FAQ for more eligibility requirements). Students of all backgrounds and levels of experience are encouraged to apply to this competitive program.

Find Your Future is a statewide program, so internships are based on a student's geographic location for the summer and academic concentration. **Internships begin at the end of May 2022 and end by mid-August 2022. Exact start and end dates may vary depending on an intern's school schedule and internship provider availability.**

Prior to students beginning their internship, all are required to attend a four-day mandatory professional curriculum beginning May 24, 2022. Due to the COVID-19 pandemic, workshops will be conducted virtually. Students will then report to their internships the following week. Students are then eligible to work up to 375 hours throughout the summer, which is compensated at \$11 per hour. If COVID safe, the mandatory closing luncheon is scheduled to take place in Chicago on Friday, August 5, 2022. The curriculum covers topics such as: office etiquette, financial literacy, resume writing, interviewing, professional social media etiquette, team building, a service project, professional networking, and business dinner etiquette. The program also includes optional activities, which allow participants to build peer-to-peer relationships networks.

Interested applicants should apply by completing an application packet to include the following:

- Program Application
- Resume
- 1-2 Letters of Recommendation
- Unofficial College Transcript
- Writing Sample: outline as to why the applicant is applying for Find Your Future
- Complete applications should be postmarked, emailed, or faxed no later than December 31, 2021.
Late or incomplete applications will not be considered.

Candidates who are selected for an interview will be notified via phone and will receive additional details about the interview process at that time. Interviews will take place virtually between January 3rd & 28th of 2022. If you have any questions, contact Liz Mulkern at findyourfuture@kaleidoscope4kids.org.

Sincerely,

A handwritten signature in cursive script that reads "Liz Mulkern".

Find Your Future Frequently Asked Questions

Q. What are the qualifications for this program?

Each participant must be enrolled in one of the following DCFS programs and meet the following GPA requirements:

1. Youth in College
2. Youth in Scholarship
3. Independent Living, Transitional Living Program, or Foster Care
4. Self-selected placement

Each participant must also meet the following educational requirements:

1. A GPA of 2.0 or greater through the spring semester. Accepted students are required to provide fall and spring semester unofficial transcripts.
2. Each participant must be enrolled in a 2 or 4 year college or vocational program during and after the application process.

Q. Am I eligible for Find Your Future if I graduate college in May 2022?

No. All participating students MUST be enrolled in school post Find Your Future internship. You are eligible to apply if you are scheduled to graduate in December 2022.

Q. What if I am a freshman and I don't have transcripts to send with my application package?

Submit all other Find Your Future application requirements and a brief cover letter explaining that because you are freshman you do not at present have college transcripts.

Student's final acceptance will be contingent upon the receipt of their transcripts and meeting all other Find Your Future requirements.

Q. What type of transcripts do I need to submit official or unofficial?

Unofficial transcripts must be submitted at time of application to Find Your Future. However, students may be required to submit official transcripts to the internship placement interview.

Q. When does the program start and finish?

The Program begins on Tuesday, May 24, 2022 with four days of mandatory workshops. Workshops are normally held at our Chicago office, but due to the COVID-19 pandemic, workshops have been switched to a virtual format. Students will then report to their internships in the following weeks. Students are then eligible to work up to 375 hours throughout the summer. If COVID safe, the mandatory closing luncheon is scheduled to take place in Chicago on Friday, August 5, 2022.

When accepting this internship each intern is required to sign an agreement outlining obligations and responsibilities.

Q. Where are internships located?

Internships are based on the geographical location of the student. Find Your Future is a statewide program with established partnerships across the state, but the Find Your Future (FYF) Coordinator continually seeks new partnerships.

Q. How is my internship chosen?

Internships are determined by college concentration, interviews, and location in relation to student's summer housing.

Q. What if I want to take summer classes or have additional employment?

The Find Your Future Program is a rigorous internship program that can include 25-37.5 hours per week at the assigned internship provider. It is highly recommended that the student prioritize the internship. However, if the student needs to

1901 West Carroll Avenue, Suite 205, Chicago, Illinois 60612 | 773.278.7200 | kaleidoscope4kids.org

attend summer classes, it must be communicated to the FYF Coordinator and a summer schedule must be provided prior to enrollment. In addition, if you intend to have additional employment during the summer, it also must be communicated to the FYF Coordinator to eliminate scheduling conflicts.

Q. Am I required to take summer classes to maintain my Youth in College stipend?

No. Enrollment in Find Your Future meets the Youth in College/Scholarship academic requirements to maintain a student's monthly stipend.

Q. Am I an employee of Kaleidoscope?

No, interns are not employees of Kaleidoscope. Participating students are considered independent contractors; therefore, all students are required to pay the income tax on earned stipends.

Q. As an intern do I have any benefits?

No. As an intern of the Find Your Future Program you do not earn vacation, sick, holiday, or personal time. For any time taken off, students must have supervisory and FYF Coordinator approval and will not receive pay for hours not performed.

Q. How is my stipend calculated?

Interns earn a stipend of the hourly rate of \$11.00. Youth can earn up to \$4,125 for the normal schedule of 37.5 hours per week for ten weeks. Under no circumstances can an intern perform more than 40 hours each week.

Q. When do we receive our stipends? Can stipends be directly deposited?

Interns receive stipends bi-weekly. Yes, stipends can be direct deposited.

Q. How many workshops are there?

There are (7) mandatory workshops which are: Orientation, Office Etiquette, Resume Writing, Interviewing, Networking and Business Dinner Etiquette, Volunteer Service Project, Financial Literacy, Team Building Activity, and Professional Social Media. Additional workshops or retreats may be added.

Q. Why are all workshops mandatory?

Attendance is **required** for each workshop and activity. Your acceptance into the FYF Program requires you to participate in the workshops. The workshop curriculum is part of the Find Your Future professional learning experience; therefore, they are all mandatory and students must make arrangements with work, school, and travel.

Q. Is transportation provided?

Students receive a one-time transportation stipend to assist with traveling to the week of workshops and the closing luncheon.

Q. Is housing provided?

In recent years, we have been able to provide temporary housing for workshop week for students more than 50 miles outside of Chicago. If any additional housing can be provided, students will be notified immediately.

Q. Will this internship lead to permanent employment?

Possibly. Several students have been offered employment, but this is determined by employer needs, student's performance, and student availability.

Q. Can I receive academic credit for my internship?

Yes, as long as your University/College is aware you are being compensated for hours worked. This must be communicated with the FYF Coordinator.
